PHYSICIAN'S PRAYER

Dear Lord,
Thou Great Physician
I Kneel Before thee

Since Every Good and Perfect Gift
Must Come From Thee. I Pray

Give Skill To My Hands,
Clear Vision To My Mind,
Kindness And Sympathy
To My Heart

Give Singleness of Purpose
Strength to Lift Atleast
A Part of the Burden
of My suffering Fellow - Men
and a True Realization of the
Privilege That is mine

Take from My heart All guile and
Worldliness That with the Simple
Faith of a Child I Rely on Thee

Dr. A.P.J. ABDUL KALAM'S OATH FOR OPHTHALMOLOGIST

- ❖ I, as an eye care professional realize by removing darkness and giving light To the patient is indeed God's Mission.
- ❖ Based on the experience and my core competence as a Doctor, I am capable of Diagnosing the exact disease at right time.
- ❖ I will not allow the patient to go through the diagnostic pain by making them Undergo all type of diagnostic tests which are not needed.
- ❖ I will treat at least 100 rural patients in a year by going to rural areas and Arrange cataract operations.
- ❖ I will encourage the development of quality indigenous equipments and Consumables by making use of them and assisting in enhancing the quality and reliability of the products.
- ❖ I will follow the motto "Let my brain remove the pain of the suffering humanity and bring smiles"
- ❖ I will always give part of my time for treating patients who cannot afford. I will work for providing quality eye-care to all needy citizens of India within the next 3 years.

Hony General Secretary's TNOA Annual Report 2016

Dear TNOA Colleagues and Friends,

Team TNOA proudly submits the Annual report 2016 , with a bouquet of Thanks, gratitude and humility to all senior leaders and esteemed members of this great organization for trusting us with this yeoman task . We will be ever grateful to all of you for giving us this august opportunity of serving the cause and science of our beloved field of Ophthalmology through the office of TNOA.

Team TNOA

In the light of this report, if members accept that we have covered long distances it is only because we had tall leaders who could see farther, tough thinkers who can formulate well conceived plans and a relatively Young team as TNOA Managing committee that was willing to sweat it out. We had had already 3 MC meetings first at GRT hotel , Vellore , secondly at SMF auditorium , Chennai and recently here at VIT campus. All deliberations have continued beyond into all informal settings and in all possible avenues as conference calls and skype meetings and most of the ground covered we wish to dedicate to the spirit of camaraderie and teamwork we could sync and strike.

TNOA wholeheartedly salutes and thanks various members who have involved themselves in Relief and Rehabilitation measures during the severe Floods in and around Chennai and Cuddalore.

204 New members enrolment

As usual it started as a trickle and closer to VELEYE 2016, flooded us with joy, thanks to the Downloadable webforms , Online payments and the magic of brand TNOA that we are proud to submit that we , broke the psychological barrier of 200 in a year , and are still going strong at 204 + new members enrolled , as ever we will seek GB permission to ratify all new members registering in the conference venue also.

Model Compliance

We are tax compliant organisation and pay our income tax and service tax payments. Our PAN number is PAN No AABTT3100H and Service tax number is Service Tax Code (Registration Number) AABTT3100HSD001. All due steps are being pursued to document all the charity and CME activities under TNOA banner by our members' institutions and compile them all and reapply for 12A exemption.

Registrar of Societies needs us to submit our Audited accounts, GB minutes, New members list etc within 60 days from the conference. We have complied and submitted all relevant documents to Trichy office through Mr Peter our Liason officer. We have also submitted letter to transfer our TNOA papers from Trichy to Chennai Registrar office , as per resolutions passed.

Communication Communication

Effective communication with all our members is the essence of all our efforts, and the channels of our newsletter "The Times of TNOA", sms campaigns , www.tnoa.info group email blasts of notifications on events, social media reach via whatsapp and facebook makes it possible. We also have a downloadable app TNOA for our members to interact and stay connected.

As on date we have 16 affiliated societies across Tamilnadu with the newly formed Villupuram district ophthalmic association , getting affiliated to TNOA at the well attended and appreciated ARC meeting at Villupuram . Database collection and updating info of all our Affiliated societies in the districts is being done in more comprehensive manner. TNOA formally participated in the SROC - OASIS held at Tirupathi conducted by the AP state ophthalmic association.

TNOA Midyear meeting - Ponvizhi 2016

TNOA midyear meet Ponvizhi 2016 was held on 30th & 31st Jan 2016 at Ocean spray resorts, Pondicherry. TNOA sincerely thanks President Dr K Premraj , Dr Prema , Dr Vanaja Vaidyanathan, Dr venkatesh and Dr Ashok Kumar and the whole team at Pondichery for the fabulous and wholesome midyear meet . The stay and events were memorable for all of us and as ever set the tab higher for the following years

Tamil Ophthalmology committee “ KANNE UNAKAGA ” was constituted with Dr. Chalini Madhivanan - Chairman and Dr. K Vasantha, Dr R Prema, Dr S Natarajan, Dr John Benno, Dr R Krishnamoorthy, Dr P Ramesh and Dr Md Sayee as members . Coordinators of the team are Dr K Premraj, Dr K Rajasekar and Dr N Rajeswari. They showcased their work on Tamil Glossary of Ophthalmology Terms , Tamil Consent forms and Tamil Patient information brochures and also had the, The First official Tamil Ophthalmology full session “ KANNE UNAKAGA ” during the TNOA midyear meet Ponvizhi 2016. They are also having a full session at VELEYE 2016 (கண் மருத்துவம் – நேற்று இன்று, நாளை).

Annual Conference VELEYE 2016

Being our Prime Annual event 64th TNOA Annual conference - VELEYE 2016 work occupied most of our time and efforts, over the year. Dr Issac Org Chairman , Dr Md sayee Org Secretary , Dr Rani Porselvi Org Treasurer, Dr Andrew Braganza Chairman Scientific committee and the whole LOC , with friends from Vellore District Ophthalmology association have slogged the whole year to give us all a grand gala 64th Annual conference of TNOA - VELEYE, which we are all enjoying now. TNOA congratulates one and all for this spectacular event.

It was unanimously accepted to propel VELEYE 2016 as a Green conference with less paperwork and to encourage only Online submissions, evaluation, Registration and Payments. As ever we have got 6 credit hours for Delegates and 7 credit hours for Faculty by the TN Medical council and 30 credit points from The TN Dr MGR Medical university.

The Journal of TNOA

Journal of TNOA is our mouthpiece and reaches all our Members, Academicians and Institution Libraries far and wide. Archived copies of all editions from 1991 are available in our website www.tnoa.info . The present Editorial Board under the stewardship of Dr Nirmal Fredrick is having ambitious plans to make our journal indexed and widely referenced. Team TNOA seeks guidance and advice from the esteemed members of the General body on these efforts.

Academic and Research committee

To spread the knowledge of recent advances in Ophthalmology and more importantly to reach out and connect to our colleagues, especially in the smaller tier 2 towns across Tamilnadu, we have our Academic and Research committee. At the helm of this activity we are privileged to have the Flamboyant and Fun Loving Chairman ARC Dr Mohan rajan who has taken the motto far too seriously

and already had had 7 wonderful and well attended sessions in places like Villupuram and Marthandam. Team TNOA congratulates ARC efforts and wishes many more in the following months.

Upgradation of Website for TNOA

Our ambitious plan of the website upgradation was fruitful due to the advise and guidance of many of our Senior members and our special thanks to Dr K Premraj for spearheading that effort. After elaborate search we shortlisted and entrusted the maintenance of www.tnoa.info to M/s Numero technologies , who have a good reputation managing the AIOS website. We changed to a dynamic and Comprehensive website for TNOA with all Secretariat activities, Editorial work and Conference activities to be conducted from a single platform. For online payments for Registrations we have a tie up with PAYU money a paying portal . It was also resolved to have Dr Rajasekar Hony Secretary, Dr Nirmal Fredrick Editor and Dr D Chandrasekar as our Website committee members. We proudly submit that in the runup to VELEYE 2016 all these efforts really helped and the clicks we get at www.tnoa.info stands testimony to that.

AIOC 2018 @ Coimbatore

TNOA was awarded the opportunity to host the grand gala conference expecting 1000+ delegates from all over India AIOC 2018 at Coimbatore one of the finest cities in south india.

AIOS Governing council members led by the then President AIOS Dr Debasish Battacharya visited Coimbatore to inspect the facilities required for AIOC 2018 and were impressed. Once officially allotted AIOC 2018 @ Coimbatore , TNOA contacted and held discussions with all senior Members of the Kovai region and Coimbatore society of ophthalmic surgeons CSOS regarding the further arrangements to be done. In light of all discussions, TNOA Managing council met in Chennai with Dr V Narendran as spl invitee from Kovai and deliberated amongst other points the problem of Event management companies blocking all rooms in the area . It was decided to keep the actual dates of the AIOC 2018 confidentially and adopted these resolutions

1. Thank AIOS for bestowing the opportunity of conducting AIOC 2018 on Coimbatore one of the finest cities in south india.
2. In real earnest start the preparations for the same to make it a spectacular and trendsetting conference.
3. Assign LOC- CORE committee with the following members
Advisor- Dr K Premraj - Org Chairman Dr D Ramamurthy - Org Secretary Dr Narendran - Org Treasurer Dr Thangavelu, and Jt.organising Secretary Dr. Rodney Moris.
4. To release a seed money of 30 lakhs to the LOC (returnable at the earliest to TNOA) to be maintained as a AIOC 2018 account under TNOA pan card at syndicate bank Ram nagar Coimbatore , where we had the erstwhile TNOA accounts.
5. To assign Joint operations of the account by Org Secretary Dr Narendran and Org Treasurer Dr Thangavelu who will periodically inform TNOA about the activities and accounts.
6. Present all this MC resolutions to our forthcoming General Body and get ratification and also to complete the LOC team members with suitable candidates.

Tamilnadu has state of art Eye care centres that caters to patients from the whole of South east asia and Gulf. We boast of some of the Best Teaching Institutions in India and alumni of these centres are delivering eyecare in every state and union territory of India , if not every district of our mother country. We have Community eyecare centres that deliver free services to the economically underprivileged masses of south India with high quality and awesome volume. We have single Ophthalmologist clinics and group practice models catering eye service to the most talked about Growing and demanding middle classes.

As a Leading Opinion Maker in Eyecare, TNOA is the common thread that knits and connects these 2350 + Eye doctors practicing and delivering services across TamilNadu in these multivariate centres. We wish to adapt to all modern technologies and stay course sensitive and adaptive to the changing needs of our members but yet anchor our feet strongly to the High ideals and value systems , our Founders and erstwhile leaders had set for us, and face all newer challenges that time keeps delivering , with Unity and purpose and reach many more Heights.

REPORT OF THE EDITOR, JOURNAL OF TNOA

Respected President and honourable members of TNOA,

Greetings. I wish to express my gratitude to all the members of TNOA for entrusting the job of Editor of this esteemed journal. The new Editorial board took over the mantle of publishing the Journal, in April 2016, from the former Editor, Dr. Kalpana Narendran, who did a wonderful job of publishing an excellent and easy-to-read Journal.

Journal of TNOA, in association with Indian Journal of Ophthalmology, organized a workshop on Scientific-writing for the benefit of post-graduates and TNOA, on 3.4.16. The workshop was attended by over 75 Ophthalmologists. Following this, the first Editorial- Board Meeting was held in the same venue.

The new Editorial Board has in principle, decided to address the challenges in publishing the Journal of TNOA

1. PUBLISH THE JOURNAL ON TIME, AS PER SCHEDULE with the same format and style for indexing and citation to improve the access of the journal. To achieve this we need to improve the number of submission from the members and academic institutions. The new board resolved to follow the format followed by all indexed peer reviewed scientific journal and include in its content, research articles, review articles, case reports and brief communications. In order to keep the journal tuned to the need of the Practitioners, sections like current Opinion, guidelines, photo-quiz and Journal scan will be included. We will also be including many new and interesting categories based on the feedback from our members.

2. INDEXING THE JOURNAL OF TNOA: Indexing will help achieve the purpose of reaching to a wider audience. Being accessible will improve journal's reputation - reliable source of high-quality information in our field. Being indexed in a known database will help increase our journal's readership. We may need to introduce some changes in journal style and workflow to make sure that our journal is eligible for indexing. Ensure our journal processes are smooth, efficient and meet the basic publication standards, required by the industry.

REQUIREMENTS FOR INDEXING

a) REGISTRATION OF THE JOURNAL FOR STATUTORY COMPLIANCE: Registration of the print journal with RNI and getting ISSN number for the electronic version. The budget for the same may be approved by the MC and GB. The secretary office and Editor Office will work towards getting the mandatory approvals.

b) EXCLUSIVE WEBSITE FOR THE JOURNAL WITH ONLINE SUBMISSION AND PEER REVIEW PROCESS: MANDATORY REQUIREMENT FOR INDEXING: Streamlining abstract submission and processing through online dedicated journal website.

c) ELECTRONIC VERSION OF OUR JOURNAL: e-journal of TNOA can ensure timely publication and help us in reducing the carbon foot print. Can help us improve the clicks/citations/impact factor. An article can be published on the journal website, as soon as it has been accepted and prepared for publication. Faster dissemination of scientific information – peer review, editorial, production work and distribution is all electronic.

d) **STANDARDISE THE NAME, LOGO, COVER PAGE, STYLE AND FORMAT:**

Name: Journal of TNOA - There is a conflict in the name with the registered name for Journal of Tamilnadu Orthopaedic Association and Texas narcotic officers association. Name itself indicates a journal for the association and associated with a particular language / Regional. It goes against principle of open access journal. Many state journals have changes the nomenclature and name eg. JCOR by Maharashtra, KSOS journal to Journal of Vision sciences.

The Editorial board proposes the name of JOURNAL OF OPHTHALMIC SCIENCES AND RESEARCH (NAME available in the database of scientific journal) Standardisation of journal logo, cover page and style and format for easy retrieval, branding and recollection in the publishing industry.

3. **ARCHIVING THE JOURNAL of TNOA:** in traceable and easy to retrieve format. Journal of TNOA has a long 54 years publishing history. Our Journal is a treasure chest of knowledge, history, innovation and progress of ophthalmology in our region. Unfortunately we have the archive journal is pdf format only for the last two decades. Many volumes of our journals and souvenirs have not been stored or archived. It is our duty to archive and preserve it for the younger generation and new members. The journals has to be collected from senior members, scanned, microfilmed, documented in xml format for easy retrieval and reference.

4. **CREATING AN OFFICE FOR THE JOURNAL WITH AN EXECUTIVE:** If we want to achieve the above objectives, we need to have a managerial staff, which can do the data processing work, indexing work, xml editing, archiving, and author help desk and facilitate printing and dispatch of journals.

The first issue by the new team was released in June 2016 and send to all members. The table of contents was decided as per the indexing requirements. The next issue is under preparation.

The Editorial board looks forward to your support, feedback and advice. The budget proposal for the office of the Editor of journal of TNOA, website development, publishing and printing 4 issues is appended herewith. Request the MC and GB to approve the same.

On behalf of the editorial board, I am happy to propose the above four points for discussion and adoption by the honorable members of MC and GB of Tamilnadu Ophthalmic Association.

Dr. T. Nirmal Fredrick

Editor, Journal of TNOA.
